

# Developing Online Resources for the Educating All Students test

Karen N. Bell, Ph.D.

S-TEN

**Downstate Region** – Hudson Valley, NYC  
and Long Island

# Downstate Regional Project

- Develop online resource modules for the Educating All Students (EAS) test
- Use the expertise of faculty from the various colleges
- Organize the resource materials so they are user-friendly and available to a wide audience

# Working with English Language Learners

- Offered free standalone 3-hr workshops, one was videotaped
- Offered multiple sections of a one-credit modular course. PowerPoints prepared for this course by the instructor.

# Modifying Resources for Dissemination

- Chunking the PowerPoint presentation into multiple smaller units
- Narrating PowerPoint slides using Camtasia and saving in MP4 video format
- Uploading videos to YouTube
- Developing a webmix using Symbaloo to organize the resources

# Educating All Students webmix
